## Principal's foreword

### Introduction

This report contains a snapshot of school culture and activities, priorities and progress resulting from continuous improvement in learning and learning outcomes at Browns Plains SHS in 2013. This report is supplemented by a school profile and a summary of opportunities offered for students through curricular and extra-curricular offerings, a synopsis of current and evolving teaching and learning philosophy, approach and practices, the school's learning climate and key student learning outcomes and the scope and depth of teacher expertise to deliver quality secondary education.

# Queensland State School Reporting

## 2013 School Annual Report

### School progress towards its goals in 2013

The school maintained performance improvement within system targets. 100% of students received a QCE, VET or SAT qualification. 81% of OP eligible students attained an OP 1-15.

Literacy and Numeracy priorities continue. Targeted intervention and extension is a feature of the school through Literacy Across The School as foundation to all teaching and learning.

School Opinion Survey data returned positive levels of student satisfaction resulting from greater engagement opportunities and focus on improving school ethos, standards, expectations and explicit investment in individual learning. Positive responses were recorded in the school being a “good school” (96.1%), in “teachers expect me to do my best” (100%) and “my teachers encourage me to do my best” (99.2%)

Parent satisfaction remains high across all domains.

Staff relationships and team culture remains a strong feature of the team and a collegiate nature of staff across all sectors within the school is evident.

Student attendance has continued to improve at system targets with an increase for 2013 to 90%. The school provides a caring and well-disciplined environment.

### Future outlook

The school has developed and honed focus on a coherent model of practice. A key feature of the progress of these strategies is Principal Instructional Leadership, the creation of purposeful teams, the setting of explicit goals and targets, whole of staff collaboration and the collection and analysis of data in a 3 level approach that guides actions and decision-making, and accountability for delivery at each level of school leadership and operations.

## School Profile

Coeducational or single sex: Coeducational

Year levels offered in 2013: Year 8 - Year 12

Total student enrolments for this school:

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2011	1101	563	538	91%
2012	1129	559	570	91%
2013	1087	539	548	91%

Student counts are based on the Census (August) enrolment collection.

### Characteristics of the student body:

MySchool calculates an ICSEA Index of 937. However as an 'average', this index does not reflect the outer boundaries of socio-economic and cultural demographic of the school. The school could be described as broadly representative of contemporary Australia. Enrolment as of June 2014 is 1042 students. In a relatively stable and growth neutral demographic the school remains sought after as a school of choice. Applications for enrolment by families from out of catchment are frequent. The school has adopted an aspirational "four pillars" approach to learning excellence. The four pillars are: Learning, Arts, Sports, and Community with Learning being the major foundational pillar for all that exists within the school.

Students wishing to enrol from outside catchment are required to present as outstanding in one or more of these fields. The school has an Enrolment Management Plan in place and would expect an enrolment approaching 1300 with the inclusion of year 7 in 2015.

E-Learning is a priority tool to evolving teaching and learning experiences to engage young people in learning purpose, mastery and knowledge creation.

Extensive refurbishment has taken place in the Junior Secondary Block in preparation for year 7 entry to secondary schooling in 2015.

The school services the immediate Browns Plains community and five partner Primary schools that work in partnership with BPSHS. Relative to enrolment size for a State school the number of verified students accessing Special Education Program is relatively small, with currently 54 students requiring formalised adjustments to learning programs.

### Average Class sizes

Phase	Average Class Size		
	2011	2012	2013
Prep – Year 3			
Year 4 – Year 7 Primary			
Year 7 Secondary – Year 10	23	24	23
Year 11 – Year 12	18	18	18

## School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2011	2012	2013
Short Suspensions - 1 to 5 days	251	202	163
Long Suspensions - 6 to 20 days	26	27	15
Exclusions	10	16	12
Cancellations of Enrolment	0	0	0

## Curriculum offerings

Our distinctive curriculum offerings

The school has adopted the Australian Curriculum in accordance with Education Queensland's commitment to the national agenda for national consistency. From 2012 to 2015 the "what" of curriculum will become standardised to that extent. A wide range of Queensland Studies Authority (OP) and Non-Authority (Vocational Certificate 1, 2 and 3) courses are offered.

Unique to the school is the "How" curriculum is delivered to and accessed by students. The "four pillars of excellence" defines the presentation and intent of the school's curriculum providing opportunities for specialisation and individual talents and skills to be showcased, accelerated and made authentic through connections and partnerships beyond the school in each of these fields.

Under construction is the enhancement of learning through virtual access, complementing 'off-site' experiences for both vocational and tertiary bound students with employers and tertiary institutions and Learn Earn Legends opportunities for Indigenous students.

Our school is 'outcome focussed' where learning has clear intent and students are guided to and through pathways to success.

### Extra curricula activities

Each faculty provides extra student support, mentoring and coaching for success opportunities. Study Station supports students with homework and study skills and support

Sports excellence coaching propelling the school's Soccer and Netball programs to District, State and national competition level

Leadership camps

Instrumental Music

Debating

Tournament of Minds

Spirit of Enterprise – leadership recognition

High Resolves – Junior Secondary Leaders program

Cultural Days and events

Hospitality (Industry standard)

Bring It On Dance Competition

BP Idol Talent Quest

Student Representative Council

# Our school at a glance

## How Information and Communication Technologies are used to assist learning

1:1 Laptop program for years 10 to 12 was offered at a significantly reduced cost to parents as an adjunct to the school ICTs network and facility. Equity of access and inclusive practice are a priority.

## Social climate

The school has experienced a continued growth of confidence in 'behaviour and discipline', feeling 'safe at school', feeling "behaviour is well managed at school", "school celebrates student achievements" and that "this is a good school" (Source: School Opinion Survey, 2013).

Adoption of explicit and universal dress code standards, attendance monitoring and responses, have worked in tandem with improvement and innovation in student management. As a result of internal review process, the school has adopted a number of new measures including the embedding of a Behaviour Support Room and provisioning for a full time Positive Behaviour Teacher Aide, replacing an under-performing Responsible Thinking Classroom process, professional refreshers for teachers in the 10 Essential Classroom Skills, adopting a certainty of 2 school rules of Respect and Responsibility and a 'direction without debate' authority to teachers.

Consequences for breaches of the school's Responsible Behaviour Plan are consistently applied and a targeted system of referral has been adopted. Students are subject to very clear consistent processes around consequences.

As a result, students present to school more often and consistently, wear their uniform with pride, have a sense of ownership of their school and exercise greater self-discipline.

The school has a strong stance against bullying and the various forms it may be manifested. The school responds to instances of reported bullying and takes action where this occurs at school. We have had whole school information sessions on the impact of bullying and specifically, education around cyber bullying.

Appropriate behaviours are explicitly taught and expected to maintain not only a well-disciplined school, but a place where students are keen to attend and participate.

## Parent, student and staff satisfaction with the school

Satisfaction is at or near State levels of comparison as a result of a strong and purposeful improvement agenda. Staff professional learning has placed priority on skills.

### Performance measure (Nationally agreed items shown\*)

Percentage of parents/caregivers who agree that:	2012	2013
their child is getting a good education at school (S2016)	94%	89%

### Performance measure

Percentage of school staff who agree that:	2013
they enjoy working at their school (S2069)	94%
they feel that their school is a safe place in which to work (S2070)	93%
they receive useful feedback about their work at their school (S2071)	83%

## Our school at a glance

students are encouraged to do their best at their school (S2072)	93%
students are treated fairly at their school (S2073)	96%
student behaviour is well managed at their school (S2074)	77%
staff are well supported at their school (S2075)	87%
their school takes staff opinions seriously (S2076)	88%
their school looks for ways to improve (S2077)	98%
their school is well maintained (S2078)	72%
their school gives them opportunities to do interesting things (S2079)	84%

\* Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

# Percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to a major redevelopment of the surveys (parent/caregiver and student in 2012; staff in 2013), comparisons with results from previous years are not recommended.

DW = Data withheld to ensure confidentiality.

### Involving parents in their child's education

A three-way partnership between school, student and parent is long established. The school actively supports and invites parents to be an integral party to and partner for learning. New initiatives such as 'real time' communications using technologies such as the school website, Facebook and instant SMS messaging are employed with increasing purpose and effectiveness.

Reporting processes include formal reporting four times per year – end of first term progress, followed by end of semester summative report cards. Progress reporting is available upon request and pro-actively provided by the school as a result of close monitoring and tracking of attendance, participation and completion of assessment, behaviour and recognition.

Informal and regular contacts between teachers and parents are encouraged that build close working relationships for personalising learning and engagement.

Examples of encouraging parental involvement in their child's schooling include

"Parent Postcards"

Information sessions

Parent teacher interviews – twice annually

Special events and inclusion of parents in authentic learning experiences – Hospitality, Awards and ceremonies, as guest speakers and demonstrators of skills

Fortnightly electronic newsletter

Senior Education & Training Plans for Year 10

Volunteers Program

Indigenous Education Workers and family liaison, Indigenous Performance Groups and cultural celebrations

Spirit of Enterprise Awards celebration.

P&C – an active and committed group with strong civic leadership support. The P&C administers successful business units of Canteen and Uniform Shop and is a significant fund – raiser and contributor of supplemental funding of student amenity

## Reducing the school's environmental footprint

Significant savings of scarce resources and reducing environmental impact from natural resource use have been achieved with a range of saving devices and strategies.

	Environmental footprint indicators	
	Electricity kWh	Water kL
2010-2011	356,160	2,389
2011-2012	339,488	2,192
2012-2013	394,953	2,390

The consumption data is sourced from the validated utilities expenditure return which the school submits at the end of each financial year. The data provides an indication of the consumption trend in each of the utility categories which impact on the schools environmental footprint.

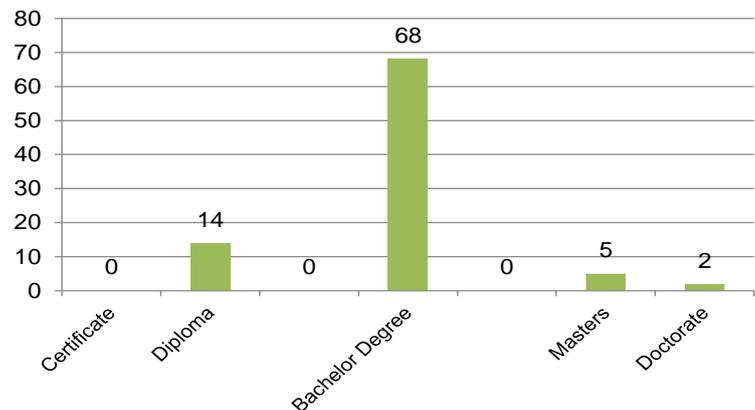

# Our staff profile

## Staff composition, including Indigenous staff

2013 Workforce Composition	Teaching Staff *	Non-teaching Staff	Indigenous Staff
Headcounts	88	35	<5
Full-time equivalents	81	27	<5

## Qualifications of all teachers

Highest level of attainment	Number of Teaching Staff *
Certificate	0
Diploma	14
Bachelor Degree	68
Masters	5
Doctorate	2
<b>Total</b>	<b>89</b>

\* Teaching Staff includes School Leaders

\*\* Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate

## Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2013 were \$ 40 309.

The major professional development initiatives are as follows:

Dimensions of Learning, Technology (ICTs) in Learning, Literacy & Numeracy, Differentiation and Peer Coaching are priority professional learning being undertaken across all teaching staff.

Essential workplace training is re-visited annually including professional Code of Conduct, Student Protection, Workplace Health & Safety, implementing sound curriculum risk-assessment practices and procedures and accreditation and certification to deliver vocational education courses.

## Our staff profile

The proportion of the teaching staff involved in professional development activities during 2013 was 100%.

Average staff attendance	2011	2012	2013
Staff attendance for permanent and temporary staff and school leaders.	96%	96%	96%

### Proportion of staff retained from the previous school year

From the end of the previous school year, 98% of staff was retained by the school for the entire 2013 school year.

### Student Attendance Distribution

The proportions of students by attendance range.

\* The method for calculating attendance changed in 2013 – care should be taken when comparing data from 2013 to that of previous years.

# Performance of our students

## Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Roll marking is undertaken by electronic means at the commencement of the school day from which the morning returns are collated. Roll marking occurs at every lesson during the course of the four period day. Parents/carers are notified via SMS messaging of student absences where prior notice has not been received explaining the absence.

Measures to date have achieved a year-to-date attendance rate of 90%. Further enhancements, including direct intervention by Deputy Principals support the work of teachers and Year Co-ordinators to monitor attendance and explanations for absence while closer intervention strategies are being implemented.

## National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

The screenshot shows a search interface titled "Find a school". It contains two main search sections. The first section is "Search by school name", which includes a text input field and a yellow "GO" button. The second section is "Search by suburb, town or postcode", which includes a text input field, a "Sector" dropdown menu with "Government" and "Non-government" options, and a yellow "SEARCH" button.

Where it says 'Search by school name', type in the name of the school whose NAPLAN results you wish to view, and select <GO>.

Read and follow the instructions on the next screen; you will be asked to accept the **Terms of Use** and Privacy Policy before being able to access NAPLAN data.

If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.

## Achievement – Closing the Gap

Significant success was achieved in the engagement in, and outcomes of schooling for students identifying as Indigenous. maintained. Employment of an Indigenous Family Liaison Officer is proving successful in developing family to

## Performance of our students

school relationships. There is available in-class support for targeted students, a whole school approach to the embedding of indigenous perspectives within all classrooms as well as a mentoring program for all students.

As at 5 May 2014. The above values exclude VISA students.

### Post-school destination information

At the time of publishing this School Annual Report, the results of the 2014 post-school destinations survey, Next Step – Student Destination Report (2013 Year 12 cohort) for the school were not available. Information about these post-school destinations of our students will be uploaded to the school's website in September.

### Early leavers information

The destinations of young people who left the school in Years 10, 11 and prior to completing Year 12.

Student retention is high due to the broad and diverse curriculum offered. Of the small percentage of students exiting the school prior to the completion of the compulsory participation phase of learning all are traced and tracked to and through eligible options until each turns 17 years of age. Strategies are adopted to ensure the student complies with maintenance of achieving a recognised learning option.
